Greetings, from Outagamie County Register of Deeds office:

As you recall, this program alerts you if the Outagamie County Register of Deeds office records a document (e.g., a deed or mortgage) in your name. While this alert does not stop the potential fraudulent recording of the document, we feel it is an exceptional tool in protecting one of your major assets, your property. **Recently, the Land Notifications Alert program has been updated. In addition to email alerts, you can now also receive text message alerts.**

You have two options:

Option 1: If you are happy to continue receiving alerts only to the email address you already provided, then no changes are necessary on your part. Email addresses from the prior system will migrate to the new system.

Option 2: If you want to sign up for text alerts, update email addresses, or change your alerts, please go to: https://landshark.outagamie.gov/Landnotification to create a new account.

We feel that the newly updated system will be more user-friendly and efficient for our county taxpayers. This continues to be a **FREE** program for you. As always, we are here for any questions or concerns you may have. Please reach out to us via email or phone if you have any questions or need assistance.

Sincerely,

Sarah R. Van Camp
